

## BOVIN ALEXANDAR 2008

The Bovin Alexandar 2008 is both a Gold Medal winning wine and the signature wine of this boutique winery.

The wine is intense in colour, reflecting the composition of the Cabernet Sauvignon, Merlot and Vranec grapes from which it is made.

The nose is full of red fruits and berries with a wonderful complex aroma coupled with a rich and full taste. The hint of oak and herbal fruity tones makes drinking this wine an unforgettable experience.

Alexandar is best served between 15 and 17 degrees and is a perfect accompaniment to all red meats, particularly venison.

The Bovin Cabernet Sauvignon 2009 is a quality red wine with a brilliant ruby colour.

This highly aromatic wine has notes of herbs, blackberries and cherries. The palate is enlivened by green pepper spice, but as the tannin come to the fore, the sweetness comes through creating chocolate richness on the finish.

This wine is best served between 15 and 17 degrees and is a perfect accompaniment to all grilled meat particularly game.

## BOVIN SAINT TRIFUN 2008

The Bovin Saint Trifun 2008 is a proprietary blend of the Merlot, Vranec and Cabernet Franc grapes with former being the majority component. The wine is medium bodied and is well balanced

The nose is red fruit driven and quite fresh with the spiciness of green peppers. Richer, sweeter fruit

fills out the mid palate and although sweet it is not over cloying as towards the back there is lots of raspberry and red cherry. It all makes for a very easy mix of flavours.

The wine a perfect accompaniment to all grilled meats particularly, beef and lamb.

The Bovin Late Bottled Harvest 2008 won a Bronze Medal at the London International Wine Challenge in May 2010.

The dessert wine is made from the Vranec grape and is intense in colour.

The nose is strong, packed with flesh red fruits such as strawberry, mulberry and cherry. There is a lovely rich flavour on the palate, with lush fruit enhanced by well managed tannins. One can also identify a hint of fresh raspberry and redcurrant towards the back of the palate which also add both to the sweetness and complexity.
